

Module 3. Section A. Task 6.

Attending a football match

Task Brief:

“To complete an in-depth research into the full cost to attend a football game both home and away at different football clubs. This will include transport and match tickets”

Work Checklist:

- Pick any Manchester City away game and research all the costs incurred to go and watch the game
- Pick any Manchester City home game and research all the costs incurred to go and watch the game
- Compare the cost of watching the game Away Vs Home
- Include pictures and change the background/theme/font to make it look more professional and unique.
