Below is a small segment of the match report from Manchester City's FA Cup final win. We have made a few changes however! Can you spot and circle the 5 mistakes in the text...?

Manchester City completed an historic domestic Trebel by crushing watford in the Emirates FA Cup Final.

Raheem Sterling and Gabriel Jesus each bagged a brace with David Silva and Kevin de Bruyne also on the scoresheet in the joint-biggestest win in Cup Final history, equalling Bury's 6-0 dismissal of Derby County in 1903.

Pep Guardiola's imperious side, who finished fourty-eight points clear of Watford in the Premier League, dominated proceedings throughout and the result never looked in doubt once davide Silva had broken the deadlock on 26 minutes.

DE BRUYNE'S STORY

21

Read the text below and try to answer the questions on the next page, based on this text...

"A highly rated youngster who has developed into one of the finest midfielders in the game, City secured Kevin De Bruyne's services in the summer of 2016.

Known as one of the continent's assist kings, he arrived with a huge reputation, but after just one full season in Manchester it was evident that it was more than justified.

With his creativity and eye for a defence splitting pass, he has gone on to establish himself as one of Pep Guardiola's key players, winning two Premier Leagues, three Carabao Cups, an FA Cup and the Community Shield in the process."

CITY IN THE
COMMUNITY

Now that you have read De Bruyne's Story on the previous page, can you answer these questions? Feel free to go back and check the text again if you are unsure.

What year did Kevin sign for Manchester City?

What position does he play?

What does the text say he is known for?

What can't he wait to start?

Who is his current manager?

How many Premier League titles has he won?

How many trophies all together has he won for Man City?

Managers and coaches often must deal with surprise issues and problems that arise through football.

Read each scenario and decide what you would do in that situation. Writing in the spaces provided.

1. One of your players is disrupting the others in training and matches but is still performing well on the pitch.

2. One of your players has not had much game time this season, he is starting to withdraw in team discussions and also missing training sessions.

3. One of your star players has been talking to another team’s manager/coach.

4. One of your players asks you to have a word with their parents who she feels is putting too much pressure on her to perform on the pitch.

"We are not thinking of winning the Champions League, I am not thinking about how many points we need or how many points they have to drop. We are trying to win games, to win the next one"

- Josep Guardiola
